3. Awards and Advancements. Congratulations to all those advanced and who received awards at the December awards ceremony.
4. Welcome Aboard. Welcome Aboard to Cadet Belinda Davis and to Cadet Devin Howard who transferred from Training Ship Spearhead.
5. Winter Training. Well done to the cadets who attended Winter Training.
6. Meals. Cadets will need to provide their own Saturday lunch.

7. **ID Card / Dues.** Dues must be received in advance to ensure cadets do not lapse their time in service. The renewal fee is \$100 for cadets. Checks should be made payable to the "Great Salt Lake Division". Check you ID card. If your expiration date is in January or February you need to bring the renewal fee this drill.
8. **Upcoming Drill Schedule:** 18/19Feb and 17/18Mar
9. **Need for Funds.** As most of you know Sea Cadet units do not receiving funding from the Navy. Our unit is run by dues received and donations to the unit. With the increasing cost of uniforms and the addition of providing three meals each drill weekend unit finances are running very low. I do not want to raise enrollment and renewal dues but this may become necessary unless we are able to raise funds in other areas. Parents are encouraged to talk with their employers about a possible donation to the unit. I would be happy to talk with them after you have made the initial contact. Please consider companies and individuals you feel may be in a position to provide some financial support to the unit.
